About Coqs Group

Coqs Group is a professional engineering services provider with proven expertise in insurance survey, valuation and chartered engineer certifications. Our portfolio of services also encompasses competent person certifications and third party inspection as well as a range of engineering services including project management, energy audit and contract administration. We have different member company of Coqs Group - an India based diversified engineering services group

We pride ourselves on our 'smart' approach to delivering services. In everything we do, we work to ensure our clients obtain the optimal outcome possible.

A dedication to technically challenging and practical solutions is central to Coqs Group's client service approach. Clients value our ability to understand and satisfy the needs of all stakeholders. Coqs Group's team is committed to delivering tangible outcomes which add value to all assignments across the globe. With offices across India, we understand local conditions and the operating environments of the regions where we work.

Coqs Group is anchored by four key distinctive qualities:

- A focus on client communication and responsiveness
- Honest, practical and technically astute advice
- High quality documentation
- Senior staff involvement to ensure clients benefit from our depth of experience

Why Coqs Group?

Our management team and commitment to quality provides the right platform for success. Our hands on and personal approach benefits the interests of both clients and staff. As a business we are known for our responsiveness. We pride ourselves on our prompt reply to emails, phone calls and general enquiries. Unlike some of the larger firms - all of our clients are a priority - irrespective of size. Your work is just as important to us, as it is to you.

Our clients work directly with senior staff throughout the work completion period. Many of our senior staff are also company owners and recognize the importance of continuous, strategic leadership during all stages of development. As a specialist surveyors and loss assessors, we possess the depth of experience unrivalled by other surveyors. As a 'smart' firm, we ensure our knowledge and experience benefits every assignment.
